

Photography Unit ~ Stage 3

Term 3 2014

Rationale- Students will be given the opportunity to show their interpretation of different concepts through creative photography. The students will justify and explain how their photographs represent the prompt and invite others to give feedback via the class website.

Outcomes-

VAS3.1- Investigates subject matter in an attempt to represent likenesses of things in the world.

VAS3.4- Communicates about the ways in which subject matter is represented in artworks.

EN3-7C- Thinks imaginatively, creatively, interpretively and critically about information and ideas and identifies connections between texts when responding to and composing texts.

Unit Plan

Week	Focus/ Teaching and Learning Tasks	Evaluation
1	<p>Class discussion about what makes photos great. Discussion around ideas presented in the web link- http://www.kodak.com/eknec/PageQuerier.jhtml?pq-path=10032&pq-locale=en_AU&requestid=4916</p> <p>Discuss abstract representation and how an image can talk to you in a way that it may not speak to others.</p> <p>Discuss interpretation and what that means with regard to photography.</p> <p>View images taken by Stage 3 students on this blog- http://geteducreative.weebly.com/s3-photography.html</p>	
<p>Each week students will have a prompt that will inspire their photography. The students will discuss in groups what the prompt word means to them and try to capture the essence of the term in a photo taken with the iPad camera. They will be given the opportunity to edit their selected best image using the PicLab HD app and upload the image to their weebly blog. Students will write an accompanying piece to explain how their interpretation of the image relates to the prompt. Students will be encouraged to comment on each others images on their student blogs, via the class website.</p>
